# St. Vincent College

Is situated in Westmoreland County, Pa., forty miles east of Pittsburgh, two miles from Latrobe, and one from Beatty Station. The location is elevated and healthy, commanding an extensive and magnificent view of the surrounding country. The buildings are spacious and commodious, and the rooms airy and comfortable.

All local trains stop at Beatty Station, and nearly all through trains at Latrobe. Wires connect the Western Union Telegraph with the College, where an operator is kept in constant attendance.

This institution was founded in the year 1846, by the Rt. Rev. Boniface Wimmer, O. S. B., of St. Vincent Abbey, and incorporated with powers to confer degrees by an act of the Legislature, of the 28th of April, 1870. It is conducted by the Benedictine Fathers, under the immediate supervision of its founder.

There are four distinct courses of study established in the College—the theological, the classical, the post-graduate, and the commercial, besides an elementary school for beginners. In all these special attention is paid to religious instruction.

The students, according to age, form three divisions, each of which has its own study-hall and dormitory, and is under the control of two prefects.

The College possesses a large library and an excellent chemical and philosophical apparatus for the use of more advanced students.

# Regulations.

The academic year commences on the first Wednesday of September and ends on the last Wednesday in June. It consists of two Terms. The first begins with the academic year, and ends on the last day of January. The second begins on the first of February and closes with the academic year. An examination of all the classes is made at the end of each term. Reports are sent four times a year (at the end of each quarter) to inform parents of the conduct, health and improvement of their sons.

When a student presents himself for admission, which is granted at any time of the year, he is examined and placed in the class for which his previous attainments may have fitted him.

Applicants from other institutions are required to produce certificates as to their good moral character.

None will be admitted for a shorter period than one term.

Students desiring to ascend to a higher class must be prepared to pass a satisfactory examination in all the studies prescribed for the class from which they wish to be promoted.

A competent knowledge of the elements of English, arithmetic, geography, etc., is requisite for admission to the Classical or Commercial Course.

Special Classes are taught for the benefit of Students in the Commercial Course, who desire a sufficient knowledge of the Latin language for Law and Medicine.

Music, Drawing, Telegraphy, French and German are optional studies.

The Degree of Bachelor of Arts is conferred upon students who pass a satisfactory examination in all the languages and sciences taught in the Classical Course.

Those who take the degree of Bachelor of Arts may obtain the degree of Master of Arts by devoting two years to a learned profession, or to literary or scientific studies.

Students passing a satisfactory examination in all the branches prescribed in the Commercial Course, may receive the title of Master of Accounts.

Every student on entering must be provided with three suits of clothes, differing according to the seasons, two hats, or caps, six shirts, six pairs of stockings, six pocket handkerchiefs, six towels, six napkins, three pairs of shoes or boots, three pairs of carpet-slippers, and one pair of swimming drawers. Clothing, or any article, needed during the year, must either be sent from home or procured by the College, according to parents' orders, as permission cannot be granted students to leave the institution for such purposes.

A deposit of not less than five dollars must be made to meet necessary expenses, as mending, etc.

Money intended for the students' use, must be sent to the Director.

The exercises of religious worship are Catholic, and every student, no matter of what denomination he may be, will be required, for the sake of order and uniformity, to attend them. Non-Catholic Students, however, are *not* required to attend Religious Instruction in class.

Students are not permitted to leave the College, except for urgent reasons, and at the request of parents and guardians; but such requests should be as rare as possible, since nothing can be more hurtful to the pupil's progress, or annoying to the teachers, than interruption of studies.

All letters, papers and books, sent or received by students are subject to the inspection of the Director or his substitute.

## THE POST-GRADUATE COURSE.

This class was formed especially for Graduates from the Commercial Course who wish to prepare more thoroughly for Professional Studies.

Young men, sufficiently advanced, intending to devote themselves to Law, Medicine, etc., who may not have the desire or opportunity of completing the whole Classical Course, will find this class well adapted to their wants.

Law, Civil Government and Political Economy are prescribed for students preparing for the Legal Profession; Physiology, Chemistry and Botany, for Medical Students; and Algebra, Geometry and Mechanical Drawing, for students desiring to devote themselves to Engineering, etc. The other branches are obligatory.

With diligent application one year will suffice to complete the course; an appropriate Certificate will be conferred after a satisfactory examination.

# Rules of Conduct.

Students are obliged to show themselves, on all occasions, obedient and respectful to the Officers and Professors of the College.

During study-time and class-hours, going to and coming from church, at meals, in the dormitories, and in the wash-room, the strictest silence and order must be observed.

The seats which the Officers or Professors of the College may assign to anyone, whether in the study- or class-rooms, in the refectory or chapel, are never to be changed without special permission.

Students must always be where their respective duties require them. Standing about in the halls during the hours of study or classes, cannot be permitted.

No student is allowed to leave the College without the Director's permission.

All running and noisy plays within the house are strictly prohibited.

All ways of soiling or damaging desks, chairs, benches, windows, walls, etc., are strictly forbidden, and the damage will be charged to the damager, or to the whole room, if the proper person cannot be found out.

Desks, beds, study- and class-rooms the wash-room, the dormitories, the halls, in fact, all apartments of the College, must always be kept clean and in good order.

Students missing any article must immediately apply to the Prefect or Director; late information will be useless.

Every student must have all articles which he desires to have washed, distinctly marked with his name and put up in a bundle together with his wash-book, otherwise they will not be sent to the laundry, and, if lost, no complaints will be heard.

No article of clothing whatever will be suffered to remain in the dormitories, except on those days when wash is given out or received.

All books and papers against sound morals will be confiscated and subject the owner and reader to severe punishment or expulsion.

The use of tobacco in any form whatever is prohibited.

Students are required to have light boots, shoes or slippers for in-door wear exclusively.

Unless there are extraordinary reasons, letters can be written only on Saturdays and Sundays, and must invariably be handed to the College Officials. Such as fail to comply with this rule are suspected of unlawful correspondence, and may, according to circumstances, be expelled.

Correspondence with students who have been dismissed, or who have left the College in bad standing, is most positively prohibited.

Students who are discovered to exert bad influence, or habitually disregard the laws of the Institution, or endeavor to excite or promote a feeling of discontent or insubordination are not permitted to continue at the College.

The same course is pursued with a student who is found incorrigibly idle.

On the days fixed for receiving the Most Holy Sacrament all the students who have already made their first Holy Communion are to approach.

Every student is strictly required to deposit his pocket-money with the Director. Money found to have been retained will be applied to some charitable purpose.

During visits of parents or relatives, students are not permitted to miss their classes. Hence it is urgently requested that such visits be confined to holidays and the afternoons of Wednesdays and Saturdays.

Finally, those who are rude or coarse and vulgar, or immodest in their habits and conversation, or who do not exhibit an honest and serious desire to comply with the regulations of the College, will, after repeated and fruitless admonitions, be forthwith dismissed.

Modern Languages (German excepted) at Professor's charges.

Payment must be made invariably in advance. No deduction will be made from the pension for a session commenced, except in case of sickness or dismissal.

The only musical instruments furnished by the College are the piano and organ, for the use of which an extra charge will be made in proportion to the time required for practice.

Books, stationery, music and drawing materials can be procured at the College at current prices, provided there be deposited a sum equivalent to the probable cost of such articles.

Students remaining at the College during vacation will be charged $35.

☞Letters of inquiry should be addressed to the

DIRECTOR OF ST. VINCENT COLLEGE,
*Beatty P. O., Westmoreland Co., Pa.*

# St. Vincent Scholasticate.

The Scholasticate,—which is altogether distinct and separate from the College,—forms the preparatory Seminary for such as feel themselves called to become members of the Benedictine Order; hence, only those are received who intend to become Benedictines. The discipline is calculated to impress on the minds of the aspirants a due sense of the requirements of monastic life.

The Course of Studies is the Classical.

Application for admission must be made in the vacation months before the 15th of August, and not during the academic year.

Each Scholastic must be provided with four suits of clothes appropriate to the seasons; also a sufficient number of undershirts, five pairs of drawers—one for swimming—six pairs of socks, six handkerchiefs, six towels. three pairs of shoes or boots, two pairs of slippers, a clothes- and a shoe-brush and two woollen blankets. Each one should also have a knife, fork, and spoon, three napkins and a tumbler.

No one will be admitted unless he can show his baptismal certificate and satisfactory papers from his pastor.

# St. Vincent College

Is situated in Westmoreland County, Pa., forty miles east of Pittsburgh, two miles from Latrobe, and one from Beatty Station. The location is elevated and healthy, commanding an extensive and magnificent view of the surrounding country. The buildings are spacious and commodious, and the rooms airy and comfortable.

All local trains stop at Beatty Station, and nearly all through trains at Latrobe. Wires connect the Western Union Telegraph with the College, where an operator is kept in constant attendance.

This institution was founded in the year 1846, by the Rt. Rev. Boniface Wimmer, O. S. B., of St. Vincent Abbey, and incorporated with powers to confer degrees by an act of the Legislature, of the 28th of April, 1870. It is conducted by the Benedictine Fathers, under the immediate supervision of its founder.

There are Four distinct Courses of Study established in the College—the Theological, the Classical, the Post-Graduate, and the Commercial, besides an Elementary School for beginners. In all these special attention is paid to religious instruction.

The students, according to age, form three divisions, each of which has its own study-hall and dormitory, and is under the control of two prefects.

The College possesses a large library and an excellent chemical and philosophical apparatus for the use of more advanced students.

# Regulations.

The academic year commences on the first Wednesday of September and ends on the last Wednesday in June. It consists of two Terms. The first begins with the academic year, and ends on the last day of January. The second begins on the first of February and closes with the academic year. An examination of all the classes is made at the end of each term. Reports are sent four times a year (at the end of each quarter) to inform parents of the conduct, health and improvement of their sons.

When a student presents himself for admission, which is granted at any time of the year, he is examined and placed in the class for which his previous attainments may have fitted him.

Applicants from other institutions are required to produce certificates as to their good moral character.

None will be admitted for a shorter period than one term.

Students desiring to ascend to a higher class must be prepared to pass a satisfactory examination in all the studies prescribed for the class from which they wish to be promoted.

A competent knowledge of the elements of English, Arithmetic, Geography, etc., is requisite for admission to the Classical or Commercial Course.

Special Classes are taught for the benefit of Students in the Commercial Course, who desire a sufficient knowledge of the Latin language for Law and Medicine.

Music, Drawing, Telegraphy, French and German are optional studies.

The Degree of Bachelor of Arts is conferred upon students who pass a satisfactory examination in all the languages and sciences taught in the Classical Course.

Those who take the degree of Bachelor of Arts may obtain the degree of Master of Arts by devoting two years to a learned profession, or to literary or scientific studies.

Students passing a satisfactory examination in all the branches prescribed in the Commercial Course, may receive the title of Master of Accounts.

Every student on entering must be provided with three suits of clothes, differing according to the seasons, two hats, or caps, six shirts, six pairs of stockings, six pocket handkerchiefs, six towels, six napkins, three pairs of shoes or boots, three pairs of carpet-slippers, and one pair of swimming drawers. Clothing, or any article, needed during the year, must either be sent from home or procured by the College, according to parents' orders, as permission cannot be granted students to leave the institution for such purposes.

A deposit of not less than five dollars must be made to meet necessary expenses, as mending, etc.

Money intended for the students' use, must be sent to the Director.

The exercises of religious worship are Catholic, and every student, no matter of what denomination he may be, will be required, for the sake of order and uniformity, to attend them. Non-Catholic Students, however, are *not* required to attend Religious Instruction in class.

Students are not permitted to leave the College, except for urgent reasons, and at the request of parents and guardians; but such requests should be as rare as possible, since nothing can be more hurtful to the pupil's progress, or annoying to the teachers, than interruption of studies.

All letters, papers and books, sent or received by students are subject to the inspection of the Director or his substitute.

## THE POST-GRADUATE COURSE.

This class was formed especially for Graduates from the Commercial Course who wish to prepare more thoroughly for Professional Studies.

Young men, sufficiently advanced, intending to devote themselves to Law, Medicine, etc., who may not have the desire or opportunity of completing the whole Classical Course, will find this class well adapted to their wants.

Law, Civil Government and Political Economy are prescribed for students preparing for the Legal Profession; Physiology, Chemistry and Botany, for Medical Students; and Algebra, Geometry and Mechanical Drawing, for students desiring to devote themselves to Engineering, etc. The other branches are obligatory.

With diligent application one year will suffice to complete the course; an appropriate Certificate will be conferred after a satisfactory examination.

# Rules of Conduct.

Students are obliged to show themselves, on all occasions, obedient and respectful to the Officers and Professors of the College.

During study-time and class-hours, going to and coming from church, at meals, in the dormitories, and in the wash-room, the strictest silence and order must be observed.

The seats which the Officers or Professors of the College may assign to anyone, whether in the study- or class-rooms, in the refectory or chapel, are never to be changed without special permission.

Students must always be where their respective duties require them. Standing about in the halls during the hours of study or classes, cannot be permitted.

No student is allowed to leave the College without the Director's permission.

All running and noisy plays within the house are strictly prohibited.

All ways of soiling or damaging desks, chairs, benches, windows, walls, etc., are strictly forbidden, and the damage will be charged to the damager, or to the whole room, if the proper person cannot be found out.

Desks, beds, study- and class-rooms, the wash-room, the dormitories, the halls, in fact, all apartments of the College, must always be kept clean and in good order.

Students missing any article must immediately apply to the Prefect or Director; late information will be useless.

Every student must have all articles which he desires to have washed, distinctly marked with his name and put up in a bundle together with his wash-book, otherwise they will not be sent to the laundry, and if lost, no complaints will be heard.

No article of clothing whatever will be suffered to remain in the dormitories, except on those days when wash is given out or received.

All books and papers against sound morals will be confiscated and subject the owner and reader to severe punishment or expulsion.

The use of tobacco in any form whatever is prohibited.

Students are required to have light boots, shoes or slippers for in-door wear exclusively.

Unless there are extraordinary reasons, letters can be written only on Saturdays and Sundays, and must invariably be handed to the College Officials. Such as fail to comply with this rule are suspected of unlawful correspondence, and may, according to circumstances, be expelled.

Correspondence with students who have been dismissed, or who have left the college in bad standing, is most positively prohibited.

Students who are discovered to exert bad influence, or habitually disregard the laws of the Institution, or endeavor to excite or promote a feeling of discontent or insubordination are not permitted to continue at the College.

The same course is pursued with the student who is found incorrigibly idle.

On the days fixed for receiving the Most Holy Sacrament all the students who have already made their first Holy Communion are to approach.

Every student is strictly required to deposit his pocket-money with the Director. Money found to have been retained will be applied to some charitable purpose.

During visits of parents or relatives, students are not permitted to miss their classes. Hence it is urgently requested that such visits be confined to holidays and the afternoons of Wednesdays and Saturdays.

Finally, those who are rude or coarse and vulgar, or immodest in their habits and conversation, or who do not exhibit an honest and serious desire to comply with the regulations of the College, will, after repeated and fruitless admonitions, be forthwith dismissed.

Payment must be made invariably in advance. No deduction will be made from the pension for a session commenced, except in case of sickness or dismissal.

The only musical instruments furnished by the College are the piano and organ, for the use of which an extra charge will be made in proportion to the time required for practice.

Books, stationery, music and drawing materials can be procured at the College at current prices, provided there be deposited a sum equivalent to the probable cost of such articles.

Students remaining at the College during vacation will be charged $35.

☞Letters of inquiry should be addressed to the

DIRECTOR OF ST. VINCENT COLLEGE,
*Beatty P. O., Westmoreland Co., Pa.*

# St. Vincent Scholasticate.

The Scholasticate,—which is altogether distinct and separate from the College,—forms the preparatory Seminary for such as feel themselves called to become members of the Benedictine Order; hence, only those are received who intend to become Benedictines. The discipline is calculated to impress on the minds of the aspirants a due sense of the requirements of monastic life.

The Course of Studies is the Classical.

Application for admission must be made in the vacation months before the 15th of August, and not during the academic year.

Each Scholastic must be provided with four suits of clothes appropriate to the seasons; also a sufficient number of undershirts, five pairs of drawers—one for swimming—six pairs of socks, six handkerchiefs, six towels, three pairs of shoes or boots, two pairs of slippers, a clothes- and a shoe-brush and two woolen blankets. Each one should also have a knife, fork and spoon, three napkins and a tumbler.

No one will be admitted unless he can show his baptismal certificate and satisfactory papers from his pastor.

For particulars, address:

DIRECTOR OF SCHOLASTICATE,
*St. Vincent Abbey, Beatty P. O.,*
*Westmoreland Co., Pa.*

# St. Vincent College

Is situated in Westmoreland County, Pa., forty miles east of Pittsburgh, two miles from Latrobe, and one from Beatty Station. The location is elevated and healthy, commanding an extensive and magnificent view of the surrounding country. The buildings are spacious and commodious, and the rooms airy and comfortable.

Besides an extensive addition recently erected, arrangements have been made to have the entire institution heated with steam by next Winter.

All local trains stop at Beatty Station, and nearly all through trains at Latrobe. Wires connect the Western Union Telegraph with the College, where an operator is kept in constant attendance.

This institution was founded in the year 1846, by the Rt. Rev. Boniface Wimmer, O. S. B., of St. Vincent Abbey, and incorporated with powers to confer degrees by an act of the Legislature, of the 28th of April, 1870. It is conducted by the Benedictine Fathers, under the immediate supervision of its founder.

There are four distinct Courses of Study established in the College—the Theological, the Classical, the Post-Graduate, and the Commercial, besides an Elementary School for beginners. In all these special attention is paid to religious instruction.

The students, according to age, form three divisions, each of which has its own study-hall and dormitory, and is under the control of two prefects.

The College possesses a large library and an excellent chemical and philosophical apparatus for the use of more advanced students.

# Regulations.

The academic year commences on the first Wednesday of September and ends on the last Wednesday in June. It consists of two Terms. The first begins with the academic year, and ends on the last day of January. The second begins on the first of February, and closes with the academic year. An examination of all the classes is made at the end of each term. Reports are sent four times a year (at the end of each quarter) to inform parents of the conduct, health and improvement of their sons.

When a student presents himself for admission, which is granted at any time of the year, he is examined and placed in the class for which his previous attainments may have fitted him.

Applicants from other institutions are required to produce certificates as to their good moral character.

None will be admitted for a shorter period than one term.

Students desiring to ascend to a higher class must be prepared to pass a satisfactory examination in all the studies prescribed for the class from which they wish to be promoted.

A competent knowledge of the elements of English, Arithmetic, Geography, etc., is requisite for admission to the Classical or Commercial Course.

Special Classes are taught for the benefit of Students in the Commercial Course, who desire a sufficient knowledge of the Latin language for Law and Medicine.

Music, Drawing, Telegraphy, French and German are optional studies.

The Degree of Bachelor of Arts is conferred upon students who pass a satisfactory examination in all the languages and sciences taught in the Classical Course.

Those who take the degree of Bachelor of Arts may obtain the degree of Master of Arts by devoting two years to a learned profession, or to literary or scientific studies.

Students passing a satisfactory examination in all the branches prescribed in the Commercial Course, may receive the title of Master of Accounts.

Every student on entering must be provided with three suits of clothes, differing according to the seasons, two hats, or caps, six shirts, six pairs of stockings, six pocket handkerchiefs, six towels, six napkins, three pairs of shoes or boots, three pairs of carpet-slippers, and one pair of swimming drawers. Clothing, or any article, needed during the year, must either be sent from home or procured by the College, according to parents' orders, as permission cannot be granted students to leave the institution for such purposes.

A deposit of not less than five dollars must be made to meet necessary expenses, as mending, etc.

Money intented for the students' use, must be sent to the Director.

The exercises of religious worship are Catholic, and every student, no matter of what denomination he may be, will be required, for the sake of order and uniformity, to attend them. Non-Catholic Students, however, are *not* required to attend Religious Instruction in Class.

Students are not permitted to leave the College, except for urgent reasons, and at the request of parents and guardians; but such requests should be as rare as possible, since nothing can be more hurtful to the pupil's progress, or annoying to the teachers, than interruption of studies.

All letters, papers and books, sent or received by students are subject to the inspection of the Director or his substitute.

# THE POST-GRADUATE COURSE.

This class was formed especially for Graduates from the Commercial Course who wish to prepare more thoroughly for Professional Studies.

Young men, sufficiently advanced, intending to devote themselves to Law, Medicine, etc., who may not have the desire or opportunity of completing the whole Classical Course, will find this class well adapted to their wants.

Law, Civil Government and Political Economy are prescribed for students preparing for the Legal Profession; Physiology, Chemistry and Botany, for Medical Students; and Algebra, Geometry and Mechanical Drawing, for Students desiring to devote themselves to Engineering, etc. The other branches are obligatory.

With diligent application one year will suffice to complete the course; an appropiate Certificate will be conferred after a satisfactory examination.

Students are obliged to show themselves, on all occasions, obedient and respectful to the Officers and Professors of the College.

During study-time and class-hours, going to and coming from church, at meals, in the dormitories, and in the wash-room, the strictest silence and order must be observed.

The seats which the Officers or Professors of the College may assign to anyone, whether in the study- or class-rooms, in the refectory or chapel, are never to be changed without special permission.

Students must always be where their respective duties require them. Standing about in the halls during the hours of study or classes cannot be permitted.

No student is allowed to leave the College without the Director's permission.

All running and noisy plays within the house are strictly prohibited.

All ways of soiling or damaging desks, chairs, benches, windows, walls, etc., are strictly forbidden, and the damage will be charged to the damager, or to the whole room, if the proper person cannot be found out.

Desks, beds, study- and class-rooms, the wash-room, the dormitories, the halls, in fact, all apartments of the College, must always be kept clean and in good order.

Students missing any article must immediately apply to the Prefect or Director; late information will be useless.

Every student must have all articles which he desires to have washed, distinctly marked with his name and put up in a bundle together with his wash-book, otherwise they will not be sent to the laundry, and if lost, no complaints will be heard.

No article of clothing whatever will be suffered to remain in the dormitories, except on those days when wash is given out or received.

All books and papers against sound morals will be confiscated and subject the owner and reader to severe punishment or expulsion.

The use of tobacco in any form whatever is prohibited.

Students are required to have light boots, shoes or slippers for in-door wear exclusively.

Unless there are extraordinary reasons, letters can be written only on Saturdays and Sundays, and must invariably be handed to the College Officials. Such as fail to comply with this rule are suspected of unlawful correspondence, and may, according to circumstances, be expelled.

Correspondence with students who have been dismissed, or who have left the college in bad standing, is most positively prohibited.

Students who are discovered to exert bad influence, or habitually disregard the laws of the Institution, or endeavor to exite or promote a feeling of discontent or insubordination are not permitted to continue at the College.

The same course is pursued with a student who is found incorrigibly idle.

On the days fixed for receiving the Most Holy Sacrament all the students who have already made their first Holy Communion are to approach.

Every student is strictly required to deposit his pocket-money with the Director. Money found to have been retained will be applied to some charitable purpose.

During visits of parents or relatives, students are not permitted to miss their classes. Hence it is urgently requested that such visits be confined to holidays and the afternoons of Wednesdays and Saturdays.

Finally, those who are rude or coarse and vulgar, or immodest in their habits and conversation, or do not exhibit an honest and serious desire to comply with the regulations of the College, will, after repeated and fruitless admonitions, be forthwith dismissed.

DIRECTOR OF ST. VINCENT COLLEGE,
*Beatty P. O., Westmoreland Co., Pa.*

# St. Vincent Scholasticate.

The Scholasticate,—which, studies excepted, is altogether distinct and separate from the College,—forms the preparatory Seminary for such as feel themselves called to become members of the Benedictine Order; hence, only those are received who intend to become Benedictines. The discipline is calculated to impress on the minds of the aspirants a due sense of the requirements of monastic life.

The Course of Studies is the Classical.

Application for admission must be made in the vacation months before the 15th of August, and not during the academic year.

Each Scholastic must be provided with four suits of clothes appropriate to the seasons; also a sufficient number of undershirts, five pairs of drawers—one for swimming—six pairs of socks, six handkerchiefs, six towels, three pairs of shoes or boots, two pairs of slippers, a clothes- and a shoe-brush and two woolen blankets. Each one should also have a knife, fork and spoon, three napkins and a tumbler.

No one will be admitted unless he can show his baptismal certificate and satisfactory papers from his pastor.

For particulars, address:

PREFECT OF SCHOLASTICATE,
*St. Vincent Abbey, Beatty P. O.,*
*Westmoreland Co., Pa.*
